It gives me much pleasure to express my appreciation of Miss Mary C. Albuquerque, M.R.C.S. L.R.C.P.

She was my dresser for three months, during which time she worked hard and acquired a very good knowledge of surgery since then I have seen a good deal of her work and have been struck by her thoroughness and capacity.

I look upon Dr. Albuquerque as a very highly trained practitioner and can thoroughly recommend her for any responsible post.

Miss H.C. Albuquerque's work at the Royal Free Hospital has always been characterised by care and industry. She takes great interest in her work, and her knowledge of her profession is very satisfactory.

She has recently passed the final examinations of the Conjoint Examining Board of England, and is desirous of obtaining a post as House Surgeon and for such a position I can with confidence recommend her.

Miss Mary Albuquerque was my clinical clerk at the Royal Free Hospital from May to August 1915.

She worked well and made good use of her opportunity of gaining a sound and practical knowledge of her profession.

It gives me great pleasure to state that I have known Miss Albuquerque M.R.C.S. L.R.C.P. while she was a student at the Royal Free Hospital and I have had many opportunities to judge her work.

I consider she showed herself a painstaking and earnest student and that she is well equipped to be a competent House Surgeon or House Physician.

It is a pleasure to write a testimonial for Miss ALBUQUERQUE.

For the past year she has been resident at the Essex County Hospital and I have had cortinual opportu-
-nities of seeing her work and judging of her capacity.

She shewed an unusually close acquaintance with the varying symptoms of the large number of patients under her care, and treated emergiencies with confidence and correctness. Her diagnosis was good, her judgment reliable, and her attention to her patients unfailing.

On the Surgical side, she proved herself ar un-
-usually good anaesthetist, and a good and helpful assis-
-tant at any operation.

Miss Albuqierque had large opportunities of seeing general and Military work, as there are 200 Military beds, filled by direct convoy, and 100 civilian beds.

In her relationship with the patients, nursing staff and honorary staff Miss Albuquerque proved herself tactful and kind. In her work thorough and entirely dependable.

Although one cannot but wish her success in any venture, her departure from this Hospital would be sincerely regretted by all.

As one of the Honorary Surgeons to the Essex County Hospital I have much pleasure in stating my -- appreciation of her work at the Hospital between April 1917 and the end of 1918.

During her tenure of the work here, the hos--pital which in normal times contains 100 beds, has as a rule accommodated nearly 300 in-patients through the stress of the War. Miss Albuquerque has conse--quently had a large and varied experience of medical, surgical and gynaecological cases, as well as cases - belonging to special departments such as eye, ear, and and skin cases etc., as also a very large amount of ex--perience in the X-ray and electrical departments.

Miss Albuquerque has done her work admirably and to the general satisfaction of the staff; she has been most kind to, and liked by, the patients and nurses, and I should not forget to add that she is an experienced anaesthetist, and has been accustomed to give anaesthetics of all sorts, on a large scale and frequently to very grave and dangerous cases.

I have great pleasure in adding my testimony to the worth of Miss M. C. ALBUQUERQUE.

She is most capable in every way and extremely good at diagnosis, clever with her fingers and very painstaking in all her work.

She is further a most pleasant colleague to work with and I can only say, after the experience of her work at the Essex County Hospital, that any institution which secures her services is extremely fortunate.

It gives me great pleasure in stating the high opinion I have formed of Miss Albuquerque's professional ability. She has acted as one of our House Surgeons at the Essex - County Hospital for the last year and a half, and during that time she has always shown herself to be a most capable surgeon.

Her work has been varied and very onerous, as beside the ordinary civilian beds there are 250 beds added for wounded soldiers. She is thoroughly well up in her work, and a very pleasant colleague to work with, and I look upon her as one of the best House Surgeons we have had since I have been on the Hospital staff.

I have much pleasure in testifying to the abilities of Miss Albuquerque who has been House Surgeon at the Essex -- County Hospital (300 beds including wounded soldiers) for the last 18 months.

Firstly she is an excellent and careful anaesthetist having administered some hundreds.

She possesses acute powers of observation, is a good operator with dextrous hands.

Her knowledge of X-ray work is considerable and she has great experience in this work.

We are all very sorry to lose her services.

Office of the Senior Surgeon, Mysore Go

Dated Bangalore, 16th June 1919

Dear Sir,

In reply to your D.O. letter dated Mysore, the 12th June 1919, I write to inform you that Dr. Albuquerque's application was received by post yesterday, with your office memorandum No.G.27952-Med.50-18-142, dated 14th June 1919, for report after obtaining certain information from the applicant. A reference accordingly goes to the Applicant today and on receipt of her reply, the required report will be submitted to Government.

As regards the three lady doctors recently appointed. On receipt of your D.O. letter No.G.25502-Med.68-18-7, dated 10th May 1919, I wrote and informed Mr.Lukhose that Mrs.Lukhose would be appointed as a Surgeon on a pay of Rs.400 plus a sex-allowance of Rs.50 with effect from the date of her joining duty here and requested him to intimate the probable date on which Mrs.Lukhose might be expected to join. My letter stands unacknowledged.

Mrs.Malini Suktanker wrote and informed me that she was unable to take up the post offered to her here, as she had already accepted a place in the Cama Hospital with effect from 1-4-1919, not having heard from this Government. This has been already reported to Government in my letter No.G.C.317-25, dated 29th May 1919.

Miss. D'Souza, the third lady has asked for further information before she could make up her mind to give a month's notice to her present employers. The information has been supplied to her and she has been asked to intimate her final decision early, to enable me to have other arrangements made. An official report about this has also been made to Government this day.

Yours sincerely,

C. S. Balasundaramier Esq., B.A.,

Chief Secretary to Goverment, Bangalore.
